

## Congratulations!

**Y**ou have taken the first step toward a better quality of life through improved hearing. Now it is paramount that, together, we ensure your hearing health for years to come.

Your custom-fit instruments are highly sophisticated hearing devices. They need general maintenance and periodic adjustments to consistently provide optimal performance.

We offer **Complete Hearing Health Care**<sup>®</sup> which is perhaps the most comprehensive coverage for hearing aids available today. With our help and your participation you will be guaranteed the best possible performance from your hearing devices.

## Let's Work Together for Your Continued Good Health and Good Hearing!

## A Complete Range of Services for Your Hearing Aids

**T**he **Complete Hearing Health Care**<sup>®</sup> program provides a complete range of services at no additional cost to you.

Services included in the cost of your hearing aids are:

- Quarterly cleanings and adjustments
- Yearly audiometric screenings
- Yearly hearing aid evaluations
- First year loss and damage insurance
- First year warranty (two years on some models)
- Repair and loss & damage replacement renewal available
- Batteries provided for the life of your hearing aids (2 packs per order)

**P**lease take the time to make regular appointments and have the patience to continue adjusting your hearing aids for optimal performance.

We care about your hearing health and value you as a patient. Please know that the **Complete Hearing Health Care**<sup>®</sup> program is available at Stillwater Hearing Clinic.

## Why See An American Hearing Aid Associate?

American Hearing Aid Associates afford you freedom of choice, because we carry literally hundreds of makes, models, and types of hearing aids. Your AHAA Associate will discuss the differences among the models and circuits, and what would best suit your individual lifestyle.
